

CL-S621II

Product pitch:

The Citizen CL-S621II is a **compact, durable industrial desktop printer** with both direct thermal and thermal transfer printing. Featuring easy media loading, a high-capacity ribbon system and **all-metal mechanism**, it delivers reliable and high-quality printing.

Product Overview:

Technology: Thermal Transfer + Direct Thermal

Print Speed: Up to 150 mm/sec

Resolution: 203 dpi or 300dpi *

Max Print Width: 104 mm

Interfaces: Standard USB & Serial

Optional: Ethernet and Wi-Fi

Ribbon Length: Up to 360m

Power Supply: Internal

Durability: Metal Hi-Lift™ mechanism

Warranty: 2 years on printer
6 months or 50 km printhead

* 300dpi - CL-S631II (100mm/s)

Key Competitors:

- Citizen CL-S521II
- Zebra ZD421t
- Honeywell PC42t
- TSC TE210

Features:

1. Full metal mechanism with industrial ABS housing
2. Internal power supply
3. Easy media & ribbon loading
4. ARCP™ ribbon technology
5. Desktop footprint for industrial printer

Benefits:

- Robust and durable design for long-term value and great TCO
- Reliable and clutter free operation
- Simple setup to minimize errors and save time
- Consistent print quality and to prevents ribbon wrinkles
- Reliability of the metal mechanism in a compact footprint, saving space

Ideal Use Cases:

- **Logistics:** Shipping labels, tracking labels, return merchandise tags
- **Transport:** Cargo labels, freight labels, destination markers
- **Retail:** Price tags, barcode labels, shelf-edge strips
- **Small-scale Manufacturing:** CE mark rating labels, product ID tags, work-in-progress labels

Other characteristics:

- Media Width: 19.5 - 118 mm
- Cut & peel Options
- Optional external media holder
- ZPL®, DMX® and EPL emulations
- Can use Ink-side-in or Ink-side-out ribbons
- Legacy parallel interface option
